DATES TO REMEMBER:

March 25-26 Englewood Art Fair; Dearborn St.; 10-4
March 28 LEMON BAY HISTORICAL SOCIETY MEETING
7 pm @ Green Street Historical Church

MEETING PROGRAM:

DL Havlin will share his vast knowledge of Florida history and folklore. DL is a resident of Sanibel and is well versed in the history of southwest Florida. He is a fascinating writer who has written several books, the latest being "The Bait Man". He often brings his wife, Jeanelle, and his golden retriever, Sandy and cat Oreo. We can't promise he'll have all them with him but you never know. It should be a fun and interesting evening. Please try to join us.

MOVING OF THE CHURCH:

I am attaching an article written by Esther Aigner Horton regarding the moving of the church. We know you have read newspaper articles and heard local talk about the possibility of our moving. This article is what the situation is at the present time. Please take time to read it so you have the facts. The most important thing you can do to help is DONATE. This is a costly operation even with all the help we are getting.

DUES:

If you have not paid your dues for 2017, please do that as soon as possible. As you know, dues are our main source of income and is needed now more than ever.

Looking forward to seeing you at the Art Fair this weekend and at the program on Tuesday. Always feel free to approach any member working in the booth or at the church and introduce yourself and just say "Hi".
